

Weight Plates

Our Black-Coated Bumper Olympic Weight Plates are perfect for both home gyms and commercial gyms. Made with quality cast iron, these plates can help you get the best weight to build your muscles even bigger. Additionally, the soft rubber covering on its body not only provides comfortable grips but also protects the flooring from potential damage. These weight plates are available in 6 different sizes: 2.5KG, 5KG, 10KG, 15KG, 20KG & 25KG.

We have manufactured these weight plates while keeping the general workout requirements in view. Furthermore, for your ease, we came up with Olympic weight plate sets with suitable Olympic barbells. So, you won't have to hassle getting the appropriate weight bars. Though we also offer budget-friendly quality weight plates as well and you can also choose their sets from our **exclusive Standard weight plates with barbell** packages.
